Key Chooses John Bregin April, Man of the Month

JOHN BREGIN, NWMSC senior, is announced as the April selection for Blue Key's Man of the Month. The selection of Bregin was made on the basis of his contributions to Northwest State both athletically and scholastically.

The St. Joseph native has been a three year letter winner in tennis, boasting a near-perfect record on the courts. Two losses in three years are the only marks on his record.

Bregin, a biology major and chemistry minor, has also maintained a high academic average throughout his college career. Blue Key feels that through this, plus his sportsmanship contributions, John's contributions to campus life here have been great.

The tennis ace is a member of Sigma Tau Gamma fraternity and the M-Club. Through these organizations it is felt that Bregin makes further contributions to the college community.

Commenting on Bregin's selection former tennis coach, Dr. Frank Grube, said, "John thoroughly deserves this honor, not for one achievement, but for a repetition of achievements by which he has

Dalton Proclaims Teaching Month

Governor John M. Dalton has declared April as "Teaching Career Month". Copies of his proclamation have been sent to colleges and universities all over Missouri and one is on display in Kent Library.

Governor Dalton says his reason for this proclamation is that Missouri needs to train and to keep good teachers. He feels that it is important to inform the parents and public of the necessity for good teachers.

All Missourians are urged by Governor Dalton in the proclamation to inquire about and visit the campuses of colleges and universities.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Jazz Group Has Big Sound

SWing' sounds issued forth from the Administration building Wednesday night as the college Progressive Jazz Group under the direction of Earle Moss, presented its annual concert.

This year's group presented a varied program which caught the fancy of those in attendance. The applause was plentiful and rightly aimed at a group that showed a great deal of talent. The members confidently provided music that the audience enjoyed, and which incidentally, the musicians seemed to enjoy equally well.

Some of the numbers presented were "Dateline Newport," "Artistry Jumps," "Jersey Bounce," "Lover," and "Cha Cha Cha for Judy."

The talented members of the aggregation include Earle Moss, director; Judy Cole, Steve Smay, Dick Bateman, Rex Beavers, Dennis Watters.

Dr. John Smay, Larry Peterson, Rollie Watters, Jim Litsch, Barry Martin, Larry Miller, Ken Lucas, J. C. Combs, Maynard Potter, and John Andrews.

The note from the group which came to the editor's desk expressed the thanks of the musicians to the audience; but more indebted, we feel, are the people fortunate enough to have been in the audience Wednesday night.

Drop, Dropping, Dropped

Toledo, O. — (I.P.) — A new rule in effect for the current academic year at the University of Toledo has repealed the instructor's right to drop students for excessive absences. Part of a recommendation of the Conference Committee, the responsibility for dropping a course has shifted from the instructor to the student.

Under the new system, a student wishing to drop a course must initiate the drop himself by first contacting his dean and then filling out a form in the registrar's office. The reasons for the new rule as stated by the Conference Committee are as follows:

Dropping students for non-attendance is inconsistent with the adoption in 1959 of voluntary roll taking.

Since the student has paid his tuition he should be permitted to exercise his right to attend or not to attend classes.

If the student feels that he can pass a course without attending classes, he should be permitted to do so.

Grades in a particular course should not be based upon the physical presence of a student.

This new rule is intended to cover only excessive absences from class. A student may still be dropped from a course by the instructor as a disciplinary action, according to Richard R. Perry, director of admissions and records.

History of the Cross

by Shirley Palla

You see it in churches. It adorns monuments, flags, and heroes' medals.

But few people know the fascinating story behind the symbol of the cross.

Centuries before Christ died, it was a symbol widely known throughout the ancient world. The Egyptians called it "canob," after a T-shaped instrument used to measure the annual rise of the Nile on whose bounty the life of the nation depended.

The cross was used as an instrument of national punishment in the time of Abraham. As a gallows, it was familiar to the Egyptians, Africans, Macedonians, Greeks and Romans. To various peoples it meant a symbol of eternal life, productive power, or the life-giving qualities of the sun.

For Christians around the world, the cross is a symbol of their faith. On a Roman cross at Golgotha Christ died, only

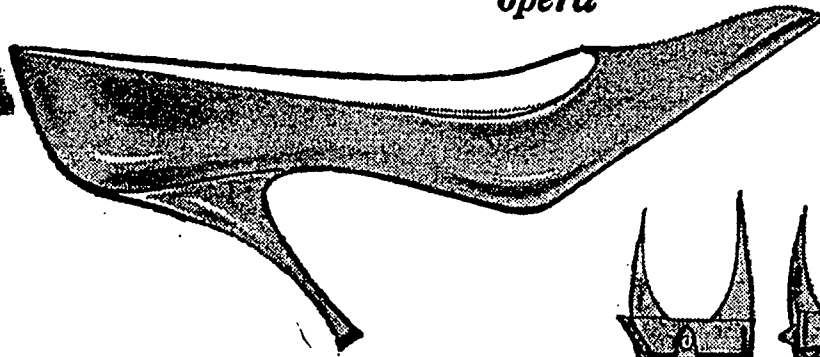

to rise again three days later, so that, according to the Bible, "whosoever believeth in Him should not perish but have everlasting life."

In their days of persecution, faithful believers used the cross as a secret pass-sign, later wore it on their foreheads as a means of recognition. In 312 AD. the Roman Emperor Constantine was inspired by a vision of the cross in the heavens to abolish crucifixion as a capital punishment and to venerate the cross as a symbol on the coin of the realm.

The early Christians portrayed Christ as the Good Shepherd, sometimes carrying a cross instead of a crook.

Chalk Talk . . . Bob Cobb

Baseball is here again, discounting all barometric attempts to throttle it. As of April 12, the Bearcat diamond crew bashfully presented a 1 win and 5 loss record.

Although they returned nine lettermen, Coach Richey's group have failed to splice together a team with consistent hitting, fielding, and pitching.

In the double header with William Jewell, April 9, which the Bearcats dropped 8-4 and 3-0, the Bearcats were unable to combine their talents in a unified effort. In the first game, Dale Ludwig was a victim of shoddy infield play which saw six unearned runs cross the plate. The hitting in this contest was fair but inconsistent.

In the second game, Ron Brumley again pitched a fine game from the mound but his hitting and fielding support left much to be desired.

Honestly, we feel that the Bearcat diamond squad is not quite as bad as their record indicates and they may improve greatly by the season's end with a little bit of support and encouragement.

Coach Gregory's net team continues to roll smoothly despite the cool weather and injuries. John Bregin has recently been under the weather and couldn't compete in the Nebraska Wesleyan and Graceland events. The 'Cats rose to the occasion and severely trounced those two opponents.

Turning to the cinder sport, the track team mentored by Earl Baker is seemingly starting to jell after a slow start.

Golf Coach Ryland Milner expressed concern about the lack of enthusiasm shown thus far by some of his team members. It seems that the Bearcats were not able to man a five-competitor squad at Graceland.

Dizzy Dean once expressed this comment about his baseball throwing abilities, "Maybe I weren't the greatest pitcher ever, but I sure was amongst'em. AMEN"

POP Initiates Seven Members

Seven new members were initiated into active membership at the regular meeting of the Pi Omega Pi, National Honorary Business Education Fraternity, held April 4.

Those initiated were Harriet Garten, Elinor Fine, Lois Davidson, Kay Courter, Barbara Thompson, Karen Ott, and Eileen Painter.

Counseling Class Makes Observations

Eleven members of the Principles and Practices of the counseling program class visited the Myrtle Miller School in St. Joseph April 12 to make classroom observations.

Those attending were Yong Park, Robert Lemasters, Larry Timmerman, John Massengale, Mary Ellen Waddell.

Bill Carroll, Gary Hezelbrigg, Sharon Browning, Cary Holst, Rebecca Thomas, and Jesse Collings.

The Bearcats came in first in 12 of the 16 events.

The results were:

120-yard high hurdles — :16.6 — Hornbuckle, M.

100-yard dash — :10.4 — Gibson M.
